EDUCATION

Computer Science B.S.

University of Puerto Rico - Rio Piedras

- **Major GPA: 4.0**
- **GPA: 3.9**

Graduation Date: May 2015

WORK EXPERIENCE

Summer Research Intern

TRUST REU at UC Berkeley, CA

Summer 2013

- Ongoing research on a Machine Learning Framework for Weighted Distance Functions

Summer Research Intern

Carnegie Mellon University, PA

Summer 2012

- Researched a generalization of Mersenne primes
- Designed & Proved a theorem for primality test
- Implemented a constant time primality test algorithm

Research Assistant

University of Puerto Rico, Rio Piedras

Aug 2011 to Present

- Researched Latin Squares generated by Permutation Polynomials
- Proved a proposition to determine when two Latin Squares are MOLS
- Developed and Implemented the proposition into an efficient algorithm

TECHNICAL EXPERIENCE

-
- Designed & developed a Search Engine for movies as a class project (C++)
 - Web Application for student grade report management and analytics (HTML, PHP, jQuery, MySQL)
 - Tracking system for archiving data on power outages in Puerto Rico (Flask)
 - Web Application for University Students to easily buy/sell used books (Django)
 - Web Application that automates a pdf form fill out process for UPR Professors (Django, PostgreSQL)
 - Extended an Open Source Django extension for utilizing PostgreSQL native array fields (Django)

LANGUAGES, FRAMEWORKS & TOOLS

-
- | | | | |
|-------|--------------------------|---------|----------------|
| • Git | • Python / Django / Sage | • SQL | • C/C++ |
| • PHP | • HTML / CSS / JS | • LaTeX | • Maple/Matlab |

RECENT ACTIVITIES

-
- Participated in the Puerto Rico Tech Summit Hackathon (2013)
 - Won best application award at Hackathon in Universidad Metropolitana (2013)
 - Participated in Startups of Puerto Rico Hackathon (2012)
 - Presented research poster at Puerto Rico Interdisciplinary Scientific Meeting (2012)
 - Presented research poster at SACNAS National Conference (2012)
 - Gave an oral presentation on Generalized Mersenne Numbers at Carnegie Mellon University (2012)
